Congratulations! You've purchased the finest record-keeping book available today. Boorum™ Bound Books have had a tradition of quality for over 100 years.

This Is One Book You Can Judge By It's Cover.

As you could tell before you opened it, this book was made to last. The inside story is pretty much the same. The pages are thread sewn, meaning their bound to stay bound. The inks are moisture resistant and will not smear. And the uniform quality of the paper assures consistent rulings, excellent writing surface and erasability. Expertly made in America by skilled craftsman.

All of which are very important when the records are for keeps.
